The contractor shall not exceed this estimated time without prior approval. Also in the case of certain work pieces, wherein the work effort can be precisely defined, and tolerances, surface finish and dimensions precisely established, then the owner reserves the right, subject to mutual agreement to make payment on the basis of a lump sum dollar amount, cognitive of the total direct and indirect costs therewith, and also cognitive of the value of the piece. In case of disagreement, the owner reserves the right to utilize the services of another contractor in the performance of the work.
